- Smooth and flat rocks

INSTRUCTIONS

Bumble Bee

- Paint the rock completely yellow.
- Paint on two thick black horizontal stripes.
- For face, paint on a small smiley face.
- Paint two white tear drops on top of the rock for the wings.

Beetle

- Paint the front quarter of the rock purple for the head.
- Paint two large green sections on top of the rock to form wings.
- Paint the space in between the wings pink.
- Outline the head and wings with a line of blue paint.
- Add yellow spots to the wings and white stripes to the pink space in between.
- Paint pink antennas onto the beetle's head.

Fly

- Paint the rock completely blue.
- Paint two large red circles on the front of the rock.
- Paint on yellow tear drop shaped wings on top of the rock.
- In black, outline the wings and eyes, and add line details to the wings. Paint a tic tac toe board pattern on to the eyes and a smile below. Lastly, draw a line separating the fly's head from the body.
